If your child talks to you about bullying:

- 1. Listen calmly and get the full story.
- Reassure your child that they are not to blame.
- Ask your child what they want to do about it and how you can help.
- 4. Visit www.bullyingnoway.gov.au to find some strategies.
- 5. Contact the school.
- 6. Check in regularly with your child.

What is Bullying?

The national definition of bullying for Australian schools says:

Bullying is an ongoing misuse of power in relationships through repeated verbal, physical and/or social behaviour that causes physical and/or psychological harm. It can involve an individual or a group misusing their power over one or more persons. Bullying can happen in person or online, and it can be obvious (overt) or hidden (covert).

Bullying of any form or for any reason can have long-term effects on those involved, including bystanders.

Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.

Bullying of any description is **NOT** accepted here at Bundarra Primary School.

Notes from Mrs Hulonce...

MASSIVE THANKS to Parents & Friends!

On Wednesday this week we were fortunate to have our new shade sails installed by Warrnambool Shades and Blinds. The new sails block 95% of UV rays and cover the entire first playground. We sincerely thank our fabulous Parents & Friends team for their fundraising. Without your financial support, we would not have been unable to do this important work. It looks fantastic!

Working Bee

Tomorrow afternoon we will be having a working bee at Bundarra after 3.30pm. We have jobs to suit everyone: gardening, painting, walkway demo, install of bird mesh, pressure washing, fencing, art installation and more. BBQ tea will be provided.

Working bees are vital to schools as they enable us to spend less money on maintenance and more on programs for our kids. We'd prefer to spend money on books and learning resources than gardening! We encourage you to come support our school!

SRC Tackers Sailing

Tomorrow, our SRC are once again sailing with the Tackers program. We enjoyed Wednesday as the weather was perfect! Look out for us at the foreshore tomorrow. Special thanks to Portland Yacht Club, Victorian Sailing, Sporting Schools Grants, and Mr Grinstead and Miss Mee for supervising. What a wonderful opportunity!

Bundarra Athletics Sports- Monday 16th March

The 2020 Bundarra School Athletic Sports will be held on 16th March. If you are unsure of which house team you are in, see the office. You can wear a t-shirt in team colours to show your support for your house. We have a few parent helpers and it's looking to be a fabulous day!

School Council-

We have our AGM next Tuesday (17th March) at 6:30pm, followed by a normal meeting. The 2020 election process has been completed, and we only have one vacancy remaining. Let me know if you'd like to join!

Please note anyone from our school community is very welcome to attend the Annual General meeting. Looking forward to working with this fantastic team!

HAVE FUN!

Curiosity

curious Being means you are interested in learning and finding out about things you don't know. Being curious makes life interesting, especially school! In asking lots of questions and wanting to know more and more you keep your mind active, open to new ideas and it makes sure you are never bored! There is always something to be curious about!

Why is curiosity important to learning? How can we become more curious? What types of questions could we ask? Connect the popularity of science classes (which requires curiosity) to the benefits of curiosity in all your classes. It makes learning interesting – wondering what the possibilities might be and why.
