## Notes from Mrs Hulonce...

What a whirlwind of activity Bundarra is at the moment! We are all prepared for the return of our Foundation- Grade 2 students next Tuesday. We have a new timetable with staggered break times and increased hygiene requirements. Staff have curriculum and classrooms all ready to go. We are incredibly excited to see you so soon!

We have a few changes though that we will need to be mindful of, in line with DET guidelines:

### Student Arrival and Departure -

While students are not required to maintain physical distancing at school, we need to apply distancing to our community interactions:

- 3 designated areas for student access.
- Students go straight to classrooms upon arrival.
- No before school reading helpers.
- Parents and carers are asked to follow duty staff directions.

### Restrictions on access to the school site for anyone other than immediate school staff and students-

Parents are not to congregate in carparks or linger at school after dropping off or collecting their children. Please follow staff direction when moving around these areas.

**A reminder...** To support the health and wellbeing of all students and staff, our school will continue an enhanced cleaning routine and will encourage frequent hand washing. If your child is ill or is feeling unwell, they must not attend school. They must remain home and seek medical advice.

Thank you for your continued support and patience during this time. We look forward to welcoming our students back to the classroom. We have certainly missed you all!

### Student reports-

As always you will receive a report for your child outlining their progress in Semester 1, 2020 against the Victorian Curriculum. The report may look different, however, as it is not possible to implement our standard report writing process. Reports will be distributed on Thursday 25<sup>th</sup> June.

### Parent and carer survey-

Thanks to all who have managed to complete this survey. It means so much for us to have current information about how people are travelling, what is happening and how we can better support everyone. Individual contact will be made with families in reference to the data collected. Thanks.

### Pupil Free Day-

Enjoy the long weekend and Monday 25<sup>th</sup> May- no online schoolwork!

Have fun and stay safe!

"One kind word can change someone's day"

## Getting Along

### Respect

#### Why is respect important?

Receiving respect from others is important because it helps us to feel safe and to express ourselves.

Being respected by important people in our lives growing up teaches us how to be respectful toward others.

Respect means that you accept somebody for who they are, even when they're different from you or you don't agree with them.

Respect in your relationships builds feelings of trust, safety, and wellbeing.

Respect doesn't have to come naturally – it is something you learn.

## 2021 Enrolments

Due to the current health crisis we are unable to conduct school tours for 2021 enrolments.

We are still available for contact via phone or e-mail in regard to 2021. Enrolment packs and forms can be accessed from the school or via school websites.

All schools in the Portland and District area encourage students to go to their local school. Your local school can be found at [www.findmyschool.vic.gov.au](http://www.findmyschool.vic.gov.au)

If restrictions are eased in June school tours may return as an option.

## Schedule for parent pick and drop of LEARNING PACKS

Parent pick up/drop of work every Friday.

There are tables set up in the corridor along the middle area with a place for each class, F/1A and F/1M have tables in the gallery. Parents will visit during their allocated time and drop off completed work for the week and pick work to be completed the following week.

Parents enter through the office and exit through the doors next to 3/4H.

If parents are not able to make it to school during this time, they are to contact school and we can arrange a staff member to drop packs home.
