Ngata from Mrs Hulonce...

Welcome back! We hope you enjoyed the holidays and are refreshed and ready for an awesome 2021. A very special welcome to our new Foundation students who started school last week. Our Foundation students have been linked to Grade 6 "buddies" and these new friendships are very special as they assist students to settle in. We are certain all our new students will love Bundarra and have lots of fun learning here!

A special welcome to the Bradley and returning Farrugia families. We're super pleased you've chosen Bundarra and we look forward to getting to know you better.

The Bundarra staff team welcomes Mr Will Potter (our Grade 1/2W "mystery teacher"). We also welcome Ms Skye Roche, Mrs Katrina Ruddick and Ms Betty Sawyer to our Education Support team! We are delighted you're here, adding value to our dedicated professional team.

Communication-

At Bundarra we pride ourselves on being approachable. The best time to talk to staff is either before or after school (if it is a quick chat) otherwise more lengthy meetings with teachers need to be confirmed with an appointment for a suitable time. Teachers should be the first point of contact as far as communication goes regarding your children and any ongoing and persistent issues can be discussed through a scheduled meeting with Mrs Tara Hulonce.

Have a wonderful week!

Healthy Lunch box tips

Packing a healthy lunchbox for all ages

When food shopping, buy fresh fruit and vegetables in season. This ensures good quality and value for money.

Get your kids involved when preparing snacks for their lunchboxes. They are more likely to eat what they have made.

Include foods from each of the five food groups.

Aim for a rainbow of different coloured fruit and vegetables. This gives your child the energy and nutrients they need to grow, learn, play and stay healthy.

Pack foods in reusable containers. They are better for the environment, healthier and easier for kids to handle.

Include a refillable water bottle. No need for sweetened drinks, as they contain too much sugar.

Keep food cold by using a cooler lunch box or ice packs. This keeps food safe.

Try different options, like sushi, salads, pasta and noodles. Different sandwich fillings can keep your child interested too.

Avoid packing sometimes foods like chips, biscuits and chocolate.

FOUNDATION 21

Students in Foundation had their first week of school this week! This week we have started learning the sounds letters make, how to count and write numbers to 10. We have also begun to develop positive relationships with the adults and peers in our classroom.
