Be Your Best Self!

SUPER Students

Xavier Osborne

Xavier is an extremely deserving Super Student, as he displays our schools' key values each and every day. Xavier has taken on all challenges this year and always displays a kind and caring attitude towards his peers. Xavier is an amazing leader for both our class and school. 5/6G can count on this young man to support others and to continue being the best version of himself. Well done Xavier, you STAR!

Axel Cambridge

What a star we have in 5/6G! Axel has had an amazing start to Term 2 and he continues to impress me with all the work he completes in class. Axel loves Maths and being challenged and writing stories about his favourite sporting teams and heroes. Axel has been a great leader for our school and consistently displays all of our schools' values. Keep being yourself, and you can achieve anything!

Ryan Dark

Mr Positivity! Ryan always shows a positive attitude towards all learning tasks. He listens extremely well to feedback and never shies away from a challenge. One of Ryan's greatest learning strengths is his willingness to push himself to be the best version of himself. Ryan is a fantastic role model in 5/6G and is someone we can always count on to share ideas and help others. I can't wait to see what you are able to achieve in 5/6G this year!

Ngata from Mrs Hulonce...

Cross Country

What a fabulous day we had with our school Cross Country on Tuesday!

We thank parents for turning up in the cold to support their children and others. We saw determination, courage, positivity and kindness. Of particular mention are the following students:

- Imarni Henderson
- Amelia Kruis
- Colin Charles
- Logan Haupt
- Kaidan Saunders Smith
- Xavier Aitken

What a spectacular effort!

Special thanks to Mr O'Connell for his impeccable organisation of the event. We also have a number of students who have qualified for the District level Cross Country, which will be held on 18th May.

NAPLAN

Next week all Grade 3 & 5 students in Australia will participate in NAPLAN testing. Leading up to the testing, students are doing practice tests/ revision. We wish everyone well- just do your best, we know you are all individually awesome.

Enrolments for 2022 are being taken now!

If you have a child starting Foundation in 2022 we encourage you to enrol soon! Any parents who'd like a look around our school can make a tour time by calling 5523 4122. All schools in Portland encourage students to go to their Neighbourhood School.

We recommend you go online and look at <https://www.findmyschool.vic.gov.au> to find your closest school.

For more information about Bundarra Specifically, see <https://www.bundarraps.vic.edu.au/> or call 5523 4122

Education Week 2021 -

Every week is Education Week at Bundarra! But, in 2021 we will be celebrating and highlighting our important work in Week 6. More info to come!

SRC Appreciation-

Thanks to Miss Mee and our Student Representative Council for once again organising our Mother's Day Stall. It was awesome to see the fine sales techniques of our senior students in action!

We wish all of our mothers and caregivers a fabulous day on Sunday!

"Be active, be healthy, be happy"

Be Active

Choosing better health does not have to be difficult. Deciding to be active, eating healthy foods, reducing stress, connecting with your neighbours, and dropping bad habits are just some of the little changes that can make a big difference to our health and wellbeing.

The good news is that the best time to make a change is now.

Try these quick tips for achieving better health:

- Say hello to your neighbours and see how they're going – connecting with the people around you helps improve your mental wellbeing.
- Keep a bottle of water in your bag to stay hydrated. Add some chopped up strawberries or cucumbers for extra flavour.
- Help yourself to choose healthy food – make sure you are not hungry when you go to the supermarket.
- Feel like you belong – phone a friend, join a community group or volunteer.
- Go for a walk – 30 minutes a day, five days a week, may prolong life expectancy by up to three years.

The stall will be open in the gym after school today and before and after school tomorrow.

WE WANT OUR STUDENTS TO TELL US WHAT THEY THINK!

We value student voice as a means to improving student engagement, wellbeing, and quality instruction, and are conducting a survey to find out what your child thinks of our school.

The AtoSS is an annual student survey offered by the Department of Education and Training to assist our school to gain an understanding of students' perceptions and experience of school. Students will be asked about their thoughts and feelings in relation to their school, their learning, peer relationships, bullying and life in general.

Students from Year 4 to 6 at our school will participate in the survey. Your child will complete the survey online during school hours using a purpose built secure online survey tool. It is important to note that we are not in any way "testing" your child. Your child has the right to refuse or withdraw from the survey at any time.

Your child will be provided with a unique login to complete the survey. The student login is an assigned identifier that may be used to link data for statistical and research purposes only. All responses to the survey are kept anonymous in the response file. Personal identification data will not be recorded in the survey response file. This ensures that the confidentiality of your child's responses is protected at all times.

This year the Attitudes to School survey will be conducted at our school over the period Monday 26 April to Friday 11 June. The survey takes around 20-45 minutes to complete and occurs during your child's class time.

The survey results will be reported back to the school in an aggregate form throughout the survey period. All survey data that is made available in reports are for groups of students only so that no individual student can be identified. Data suppression rules are used for schools with low student numbers per year level.

Last year we used the survey results to plan our School Annual Improvement Plan focus areas- prompting curriculum theme weeks, basketball court upgrade, languages curriculum, SRC activities and KUPA NGAL (Friday afternoon activities).

If you would like more information, please speak to your child's teacher or visit:
