Be Your Best Self!

F21

Bentley Johnstone

is a SUPER STUDENT! Bentley is a super student because he always does his best and continues to show impressive improvements across all areas of his learning. In particular, Bentley has been determined to improve at writing his letters and numbers. In addition, Bentley has learnt how to write his name by using his free time to practice. All his hard work has paid off as he is now able to write his name ALL BY HIMSELF! Well done Bentley you are a very deserving SUPER STUDENT!

Eben Makevits

is a SUPER STUDENT! Eben is a super student because he takes incredible pride in his work. He is always ready to act on any feedback that might improve his learning and will ask for help when necessary. He is a valued member of F21 who is always willing to help others when they are struggling with their learning or if they are hurt or upset. It is an absolute pleasure teaching you Eben, you should be proud of everything you have achieved. Keep up the good work!

Super Students

Ngata from Mrs Hulonce...

Flying by...

It's hard to believe we are in Week 8 of Term 2! We have survived another brief "lockdown" and once again shown our resilience. We appreciate all the extra work put in during remote and flexible learning last week. Students have settled back into school routines again and we are delighted to be on site.

Teaching Sprint- Student behaviour support

We are deep into our teaching Sprint journey. Work so far:

- Examination of current practice.
- Data collection on Berry Street strategies.
- Classroom and yard behaviour systems examined.
- We have put extra steps in place to best support student behaviour in class. AND...
- For all classroom/ specialist class EXITS students will need to complete a Reflection time (using their time at recess or lunch)
- These alterations will be discussed with students.
- Updated behaviour processes are to be displayed across all areas of the school to assist students in understanding acceptable behaviours and consequences.
- The agreed system is to be implemented in Term 3.

Student Led Conferences- voice in action!

WEDNESDAY 23rd JUNE 2021

Student voice acknowledges that students have unique perspectives on learning, teaching, and schooling, and should have the opportunity to actively shape their own education. Student voice involves students actively participating in their schools, communities and the education system, contributing to decision making processes and collectively influencing outcomes by putting forward their views, concerns and ideas.
(DET)

Student Led Conferences are ONE example of how we empower students at Bundarra. Attending Student Led Conferences is super important for your child/ren to share their learning. School reports are also available on Wednesday 23rd June when you bring your child to their conference time. Information will be sent home shortly about your conference and COVID SAFE practices we must adhere to. In the meantime- please SAVE THE DATE!

Victorian Aboriginal Languages Student Reports FYI

As this is the first time we are reporting on our Dhauwurd Wurrung language program, we are starting students across all grades at a beginning level. This means your child's reported progress for Aboriginal Languages will not be at the level as expected by their grade level. We wanted to start work right away and this is the starting point. Over time, as we all become more proficient with language, student growth will become more closely matched with expected achievement levels.

2022 Enrolments

If you have a child starting Foundation in 2022 we encourage you to enrol.

All schools in the Portland and District area encourage students to go to their Neighbourhood School.

We recommend you go online and look at <https://www.findmyschool.vic.gov.au> to find your closest school. For more information about Bundarra see <https://www.bundarraps.vic.edu.au/> or call 5523 4122

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open and Bundarra is excited to be participating. The PRC application offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface

Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers.

All students in the following Grades are participating as a class: 34B, 12L and 45M. If you would like your child to participate as well please contact Mrs Donald.

To read the Premier's letter to parents, view the booklist and for more information about the Victorian Premiers' Reading Challenge, visit:

So Much Fun

Breakfast
Club

Imarni is pictured creating a tower from our STEM Keva planks. They can be used as manipulatives for counting, solving 3D problems, creating mazes, patterns and sculptures, learning principles of cantilever and balance, studying history, fostering cooperation and teaching units of measurement.

Bella, Imarni and Claire trial our new Bee-Bots - programming them to manoeuvre through an obstacle course.
