Staffing-

It is with extremely mixed emotions that I announce a staffing change next term. We are incredibly saddened to inform our school community that Kate Mee is leaving the Bundarra family for another position with the Department of Education. Kate has worked tirelessly over the past seventeen years to support our students and families in so many ways. From managing the administration and front office to more recently within her role as Community Liaison Officer, Kate's contribution to Bundarra is significant.

Fortunately for us, Kate will still be part of Bundarra and the Portland schools' network in her new and exciting role, as she takes on a Koorie Education Support Officer position. This is an exciting opportunity and one that we are certain Kate will relish and once again excel in. Kate will be able to positively impact more students, families and schools in this new appointment and we are sure to be involved in some innovative KESO initiatives with language and culture within all our schools.

Thank you, Kate, for all that you have done for Bundarra, we look forward to seeing you often in your new KESO role.

(NOTE: Staffing processes are now in place in to ensure students and families continue to be supported to the high level expected at Bundarra)

Student led conferences-

We are looking forward to student Led Conferences next Wednesday at Bundarra. Students have been preparing for these, getting work samples ready, reflecting on their learning goals and preparing to share their progress and challenges with families.

All families are allocated a time to see staff and it is vital that students come along with you. This process is part of our reporting student progress to families, and student reports may be collected at this time. You will need to sign in and follow covid safe protocols on the day.

A slip will be sent home with your conference time. There will be no scheduled classes on Wednesday so students can attend the conference with their grownups. Thank you!

School Council vacancy-

Currently we have a vacancy on school Council. If you are interested in making a difference and finding out what happens behind the scenes, please email me. Only 5 meetings left this year! We'd love your input!

Take care everyone, wurruck!
