## Ngata from Mrs Hulonce...

### Ngatanwarr!

We hope everyone is doing well, it was great to return from Lockdown 6.0 so calmly and quickly. Students have once again demonstrated impressive resilience, but may be feeling disrupted and dysregulated with the constantly changing circumstances. This may impact behaviours and relationships at school and at home. With this in mind, it's super important that we continue to remember to nurture our own and family's wellbeing.

### Wellbeing:

Wellbeing is not just about physical health & reducing our risk of contracting COVID-19, but also our mental or emotional wellbeing. In times of stress or high anxiety, we often discuss things we might not normally discuss in front of our children. With the pandemic being spoken about everywhere we go, it is essential we are only giving our children the facts or the information they need to know.

- Reducing their anxiety & stress in relation to this is essential.
- Some things you can do to assist with your own or your child's anxiety are:
- Reduce the time spent on social media &/or TV.
- Reduce the amount of news you watch or listen to – perhaps just once per day.
- Listen to music rather than the radio while in the car or at home.
- Go for a family walk & get fresh air.
- Practice gratitude.
- Mindfulness activities before bed.
- Reading or quiet activities in the evening, rather than watching TV.

### What we need to know:

- If students are being tested for covid or if someone staying with you who has recently tested covid positive.
- If someone in your home is currently in self isolation due to close contact with a covid positive case.

*If you have questions or concerns, please contact the school or refer to the DHHS website.*

Thanks again for your patience and kindness during these times, we certainly appreciate your support. Be assured, our fabulous staff have the capacity to continue business as usual regardless of circumstances. Teaching and learning continuation is our priority and we are super pleased with Seesaw. We often use this ON SITE now, so children are familiar with its use. Feel free to continue to check Seesaw to get a glimpse of what we're up to.
