Friday 17 th Dec	Last day Term Four – 2:15pm early dismissal

*Please note dates are subject to change

Ngata everyone

Welcome back to Term 4! I hope you enjoyed some relaxing time with family and friends.

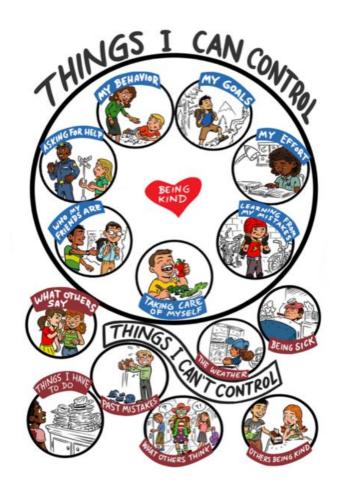

It was great to see our juniors back on site this week, happy to see their friends and getting into learning routines again. Also, it's exciting to see so many of our senior students on SeeSaw for their learning this week. I have been lucky enough to sit in on a few class check ins on Webex and it was so nice to see your smiling faces once more. I certainly can't wait until next week when we get to see a few more of you onsite.

Next week our schedule is slightly different for specialist classes as we have adjusted the timetable according to DET guidelines. On Mondays, students in Grades 3-6 will all be in remote and flexible learning mode. But, we can have our Grade 3 and 4 students onsite on Tuesday and Wednesday and our Grade 5 and 6 students onsite Thursday and Friday. This timetable should last for 2 weeks until it is expected that we all can return! Our staff are so happy with this development and have been busy checking curriculum, assessments and planning for your return. We have some time to make up- so please be ready for some fun, intensive learning onsite!

Term 4 is a busy time of year, with staffing, curriculum planning and budgeting underway for the following year. We are also completing our 2021 Annual Implementation Plan, assessing our performance against set goals and targets. More information to come on this, after I meet with our Senior Education Improvement Leader this afternoon to sign off on the document.

As for 2022, last term I asked if any parents have requests for 2022 classes, please to let me know by the 22nd of October. This still stands, as we will begin class allocation when students are back on site in the coming weeks. Class structures have been approved by school Consultative Committee this week and we are ready to move forward with planning. 2022 staffing is yet to be completely determined, and this information will be released as soon as it can be confirmed. Feel free to call or send an email with your requests. Students will also list friends they'd like to be in a class with, as they have done in previous years. We will do our best to accommodate these, within reasonable boundaries.

Have an awesome week everyone! Wurruck!

Spread Kindness

THANKYOU

We would like to thank Kadence and her family for her generous donation of books for our school. We really appreciate it!

POINT S

Please leave your bread tags here. They will be recycled in Robe, SA to fund wheelchairs, mainly in South Africa.

Bundarra Primary
School is collecting
bread tags for this
very important
cause. We ask that
families collect
bread tags and
bring them into the
office once back
onsite.

Portland Tigers has a well-established successful women's football department, with pathways from All Girls Auskick to competitive teams for both teenagers and adults. There are opportunities to play AFL for girls and women, and Portland Tigers would love to welcome you to the yellow and black! They'd love the chance to meet new women and girls who enjoy the game (or are interested in trying it) and are willing to have a go. The opportunities are endless. Even if you are just starting out, remember AFLW players like Daisy Pearce, Moana Hope and Tayla Harris had to learn the ropes as well.

To kick start getting more females into footy within our community, Portland Tigers will be holding a 3-week come and try program for girls aged between 10-14 – no skill needed, no boots needed, no ball needed, no payment needed. If playing is not your thing, but you love the game we also have a number of ways you can be involved in and around the club.

COVID-19 capacity restrictions are to be followed, please bring own drink bottle. To register, contact 0492453939 or follow the link

Swimming

Unfortunately, due to circumstances out of our control, we are needing to postpone our School Swimming program until further notice. We are working on an alternate swimming program to ensure our students have the opportunity to participate and develop key fundamental water safety skills. We apologise for this inconvenience. Families will be notified of any updates in the near future.

The ups and downs of growing up!

Students in Grades 5 and 6 will be undertaking a unit on Personal Development early in Term 4, beginning on Wednesday 6th October. The students will be divided into a 'Boys' group and a 'Girls' group for these sessions.

Notes will go home tomorrow via Seesaw, including detailed information about this unit of work. If you have any questions or concerns about this unit of learning, please see your child's classroom teacher.
