Be Your Best Self!

Ella Beyer

Ella has worked SUPER hard this year and has grown in confidence in most areas which is pleasing. She is kind and inclusive, making sure no-one is left out. Ella is extremely helpful and will often help others in our class if she can. She worked very hard during remote learning, being resilient and persistent throughout her Seesaw tasks. Ella always remembers to try her best during tasks, both online and in class. We are SUPER lucky in 4/5M to have a kind and caring friend in Ella!!! Remember Ella, you can achieve anything if you continue believe in yourself!!!

Evie Fry

Evie has had a SUPER year in Grade 4. She has grown so much in her work ethic, continually challenging herself to produce work of a high standard. Evie has worked incredibly hard during online learning and completes all set tasks, showing her incredible stamina and resilience during this time. Evie is a good friend and is very helpful around the classroom, helping others and sharing her knowledge when she can. We are SUPER grateful to call Evie our friend in 4/5M. Keep being amazing Evie!!!!

Kyan Taylor

Kyan is a SUPER student as he has shown that he is resilient and persistent when it comes to remote learning. Kyan has worked well during our remote learning period and is continuing to show progress in many areas because of his continued dedication to his learning. He is respectful during class discussions and has a go at all tasks, no matter how challenging they may be. Kyan is a good friend, and we are SUPER lucky to have him apart of 4/5M. Keep aiming high Kyan!!!

Super Students

Ngata from Mrs Hulonce...

What a fabulous week this has been!

It has been heart-warming to have our older students on site, even just for a couple of days! Seeing the excitement as students reconnect with their friends has really made staff smile. We have missed everyone!

Staff have been busily planning for learning, as our teaching and learning cycles have adjusted in line with the new schedule. We are working solidly to get everything back on track and are super impressed with the many positive student attitudes on their return to school.

AIP 2021 Feedback from Lindy Sharp- SEIL

Congratulations to the Bundarra school community on an outstanding year despite the challenges presented by COVID. Not only have you achieved a great deal in terms of completing the AIP activities, the impact of your work over the past few years is really beginning to show in your data. The NAPLAN results both growth and achievement in reading and numeracy were outstanding and testament to the dedication and determination to achieve excellence for your students in terms of learning, wellbeing and engagement. The development of the Professional Learning guide and its implementation to guide your PLC, your team meetings and your overall approach to learning and improvement is a valuable resource and enabling process. Congratulations on the school's work in building cultural understanding not only in the Indigenous languages program, but in the developments of the indigenous inspired and informed physical environments.

Well done everyone! This is a credit to students, staff and families!!

Being Covidsafe-

We follow DET guidelines regarding covid to keep everyone safe. This involves additional cleaning, focus on handwashing and sanitiser use, limited interactions between different student groups, no excursions or incursions and various other alterations. We are not allowed to have additional visitors onsite, but if you do need to attend, please QR code in. We also request that parents be aware of "Pick Up and Drop off zones" which are designed to limit interaction between groups of people. The Edgar Street zone is designed for this purpose- feel free to arrange to drop off and collect your child/ children from this space daily.

2022 planning-

Feel free to call or send an email with your requests by 22nd October. Students will also list friends they'd like to be in a class with, as they have done in previous years. We will do our best to accommodate these, within reasonable boundaries.

Take care all, Wurruck!

**A reminder that
Children are *not*
actively supervised
at school until
8:30am**

WE NEED BOTTLE LIDS PLEASE

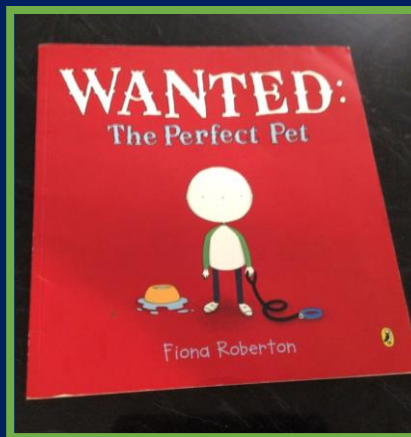

We are collecting clean plastic bottle lids for an art project with Mrs Down and Miss Skye. Looking for all shapes and colours of lids.

Please bring clean lids to the office and they'll be used to create some fabulous artworks.

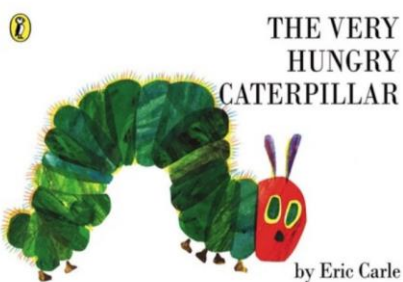

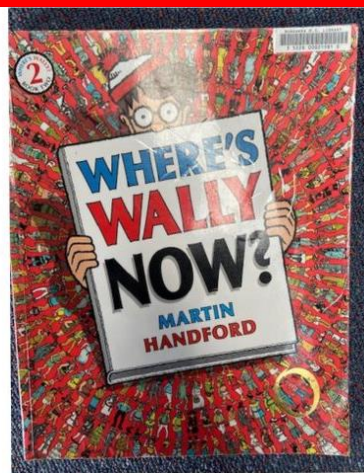

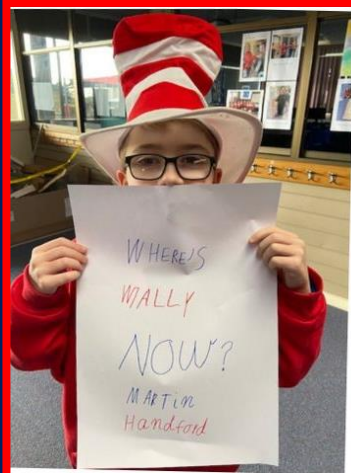

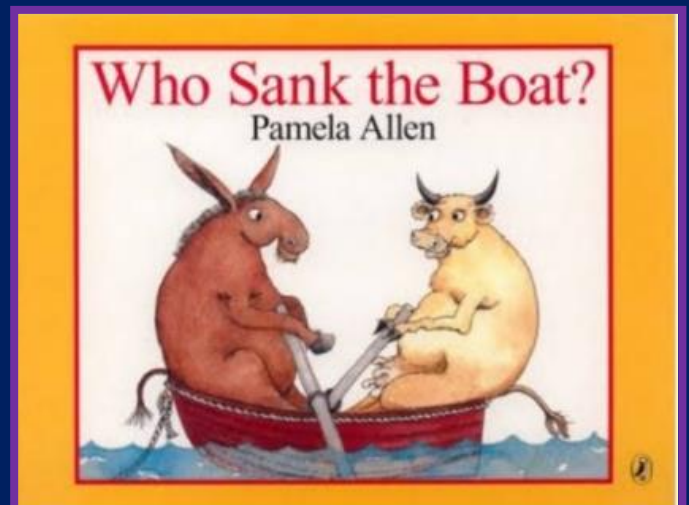

5/6 CAMP

What a busy start to the term we have all had. As you know grade 5/6 camp was scheduled for week 4 of this term. Unfortunately, we have had to postpone SunnyStones camp due to the current rules and regulations. We are still trying to find alternative dates and are assessing our options moving forward. If we are unable to run a camp this year, money paid will be credited to your account and families will be contacted to confirm treatment of this credit.

Like last year, if the 5/6s don't get to go on a camp we will try our best to organise a fun day out for the students. Thank you again for all your amazing support and for being so understanding.

45M Book Re-Creations

SkoolBag

Don't forget to download our school's SkoolBag app to ensure that you are kept in the loop on:

- * School newsletters
- * Notices
- * Events
- * Cancellations
- * Reminders

SUPPORTED BY ROTARY CLUB OF PORTLAND BAY

BREAD TAGS FOR WHEELCHAIRS COLLECTION POINT

Please leave your bread tags here. They will be recycled in Robe, SA to fund wheelchairs, mainly in South Africa.

Rotary
Club of Portland Bay

M aussiebreadtags@gmail.com
f @aussiebreadtags

Your local contact: KAREN 0417501452
ozbreadtagsforwheelchairs.org.au

Bundarra Primary School is collecting bread tags for this very important cause. We ask that families collect bread tags and bring them into the office once back onsite. *Thank You*

Portland Tigers has a well-established successful women's football department, with pathways from All Girls Auskick to competitive teams for both teenagers and adults. There are opportunities to play AFL for girls and women, and Portland Tigers would love to welcome you to the yellow and black! They'd love the chance to meet new women and girls who enjoy the game (or are interested in trying it) and are willing to have a go. The opportunities are endless. Even if you are just starting out, remember AFLW players like Daisy Pearce, Moana Hope and Tayla Harris had to learn the ropes as well.

To kick start getting more females into footy within our community, Portland Tigers will be holding a 3-week come and try program for girls aged between 10-14 – no skill needed, no boots needed, no ball needed, no payment needed. If playing is not your thing, but you love the game we also have a number of ways you can be involved in and around the club.

COVID-19 capacity restrictions are to be followed, please bring own drink bottle. To register, contact 0492453939 or follow the link <https://form.jotform.com/212723178042854>

Swimming

Unfortunately, due to circumstances out of our control, we are needing to postpone our School Swimming program until further notice. We are working on an alternate swimming program to ensure our students have the opportunity to participate and develop key fundamental water safety skills. We apologise for this inconvenience. Families will be notified of any updates in the near future.

The ups and downs of growing up!

Students in Grades 5 and 6 will be undertaking a unit on Personal Development early in Term 4, beginning on Wednesday 6th October. The students will be divided into a 'Boys' group and a 'Girls' group for these sessions.

Notes will go home tomorrow via Seesaw, including detailed information about this unit of work. If you have any questions or concerns about this unit of learning, please see your child's classroom teacher.
