Be Your Best Self!

### **Imarni Henderson**

is a super student because she has returned to onsite learning with a smile and a "can do" attitude! She is always on task and puts a good amount of effort into everything she does. Imarni has been a great friend and a positive role model this term, regularly helping others in the classroom and out in the yard. Fantastic effort Imarni, your hard work isn't going unnoticed!

### **Bella Carlyon**

is a super student because she puts an incredible amount of time and effort into her work. She regularly asks for feedback and takes it on with a smile. Bella loves to learn and enjoys sharing fun facts that she has discovered. She happily works with anyone in the room and goes out of her way to make others feel included. Well done Bella! Keep up the great work!

### **Will Dalton**

is a super student because he shows persistence and determination with his learning. He always does his personal best and asks for help when he needs it. Will loves to share stories and listens respectfully when other people share theirs. He has a great sense of humour and displays all of our 'Be Your Best Self' values. Congratulations Will! You are a valued member of the 56C team!

## Ngata from Mrs Hulonce...

Next week will mark another exciting development in how school environments operate. From 1/11 we can:

- Hold excursions and camps (this is just 2 weeks too late for our planned Grade 5/6 camp, but we have other plans in the works, this cohort will not miss out on something fun to commemorate the year)
- Run transition sessions for our Foundation 2022 class and 2022 Years 7's heading to secondary school.
- Trash Puppets workshops will begin from 29/11/21
- Grade 6 Graduation will be held in the school Gymnasium on the last Wednesday of Term 4.

All of these are so exciting, and you can image staff are busily working away on how we can make the most of the last few weeks of term.

### Wellbeing update-

We have just finished our Annual Implementation Plan review, so it's time to celebrate. The alterations to our Reflection processes are going so well! I mentioned Teaching Sprints in T3, and we have since completed the work on supporting student behaviour as we work through the Reflection process. You may have heard about previous reflection, but here's the update.

In essence Reflection occurs when a student has been given three warnings and has still been unable to behave appropriately. Reflection is held in the Library or Lounge and a teacher works with the student/s through three main components as per Berry Street strategies:

1. Mindfulness- Mindful meditation or calming music is played for a few minutes as we sit in a circle.
2. Values- Students choose a values card (based on our school values- INTEGRITY, KINDNESS, COLLABORATION, INCLUSIVITY and POSITIVITY). As a group we talk about this value, what it means and how it can be used at school.
3. Reflection- We discuss what happened and why the student has reflection and what they think about it now. This has a restorative purpose and allows us to all collaboratively "fix things up".

Students then join the rest of their friends in the school yard, leaving reflection in a calm and respectful way.

### Feedback from kids:

- It's quicker (we get to play sooner).
- We have a chance to speak.
- It's fun (we guess they like the change)

### Feedback from staff:

- Students seem calmer when going out to play.
- Students have a choice about what we discuss.

On the whole we feel the new system is about working proactively and less focused on punishment. It's great to recognise that every day is a new day!

Wurruck!

## Foundation 2022 Transitions Dates

## 5/6 CAMP

What a busy start to the term we have all had. As you know grade 5/6 camp was scheduled for week 4 of this term. Unfortunately, we have had to postpone SunnyStones camp due to the current rules and regulations. We are still trying to find alternative dates and are assessing our options moving forward. If we are unable to run a camp this year, money paid will be credited to your account and families will be contacted to confirm treatment of this credit.

Like last year, if the 5/6s don't get to go on a camp we will try our best to organise a fun day out for the students. Thank you again for all your amazing support and for being so understanding.

Look at these superstars! 34B have integrity ☆ Students in 34B spent part of the afternoon yesterday cleaning up Bundarra! They are determined to make Bundarra as beautiful as possible, and keep it that way!
