## Ngata from Mrs Hulonce...

Such a fun, busy week- the themes this week have been super engaging. Civics week has certainly caught the interest of our 3-6 students.

School Council will be privy to this when I present the Grade 4/5M letters at our next meeting. We have a number of requests for additional recycling bins, food scrap buckets and school "chooks".

Grade 3/4s have learnt about parliamentary systems, with a focus on local government, roles and responsibilities. Their Tri-a-ramas (dioramas with a difference) look awesome!

The juniors are enjoying learning more about geography, local areas and important places.

### Transition Foundation 2022-

We look forward to our new Foundation students visiting next Monday from 2-3pm. *Can't wait to meet you all!*

### COVID update-

We have a clear process to follow in the event of a confirmed case within the school community. Our dedicated Covid safe space is prepared, and we are all following guidelines. Extra sanitiser stations, thorough cleaning and face mask fidelity is keeping us safe. These are due to information given to us by DET under Chief Health Officer advice.

We do respectfully ask that if you or your child/ren are being tested to please contact the school for next steps.

If children display two or more covid symptoms we will be contacting parents as a precaution.

New Department of Education Guidelines have been delivered. From this point "Parents and Carers who enter school buildings must also have had at least one dose of COVID-19 vaccine and must have had two doses of COVID-19 vaccine by 29 November or have a valid medical exception with the following limited exceptions:

1. when attending to administer medical treatment to their own child when the treatment cannot be administered by the school
2. when attending to collect their child who is unwell and cannot leave the school building unaccompanied by their parent/carer
3. when attending for a momentary period that does not involve sustained contact with staff/students, for example, to collect a completed art project or similar.

In addition: QR code check ins are required for any visit that is within the school building. We thank you for your support and understanding.

**Wurruck!**

**We would love you to get involved by dressing up on the day!**

# Trash Puppets is coming to your school and we need your help!

In Week 9 of this term the students at Bundarra are participating in a Trash Puppets workshop.

At Trash Puppets our aim is to educate adults and children alike on the concepts of sustainability with particular focus on waste reduction. We do this through creative puppet making workshops where imaginations are expanded and where play is key.

The materials used to make Trash Puppets are 100% recycled and reused. For your child to get the most out of this experience, we encourage parents and children to start their own 'Trash Puppets bag' of clean recyclables at home for use in the workshop. Please drop your bag of 'trash'\* at school, in an area specified by your teacher, ahead of the workshop.

\* We ask that each child only bring one small bag of trash each, about the size of a green canvas bag from Woolworths.

## Here's the kinds of (clean) materials we can accept:

- ✓ Cardboard e.g. small boxes (smaller than a shoe box), egg cartons, paper towel rolls.
- ✓ Plastic bottles e.g. coke bottles, shampoo bottles (washed, with LIDS OFF).
- ✓ Plastic bottle caps.
- ✓ Plastic tubs e.g. strawberry or berry containers, honey tub, ice cream tub (washed please).
- ✓ Plastic bags e.g. supermarket bags, bubble wrap, bread bags.
- ✓ Paper bags e.g. retail bags, grocery bags.
- ✓ Newspapers
- ✓ Picnicware e.g. paper plates, plastic spoons, plastic cups.
- ✓ Bits and bobs e.g. buttons, yarn, old wrapping paper.

## And, the types of materials we **DON'T** want.

- X Toilet rolls.
- X Milk Bottles.
- X Tins or any sharp metal including metal bottle tops/caps.
- X Glass, including all glass jars and bottles
- X Anything with alcohol or drug branding, eg. panadol boxes, beer cartons etc.
- X Cartons that we can't see into eg. tetra pack juice boxes, milk cartons, stock cartons etc.
- X Polystyrene in any form e.g. cups, packaging, beads etc.
- X Fabric scraps
- X Magazines
- X Medium-large boxes (an adult size shoe box is too big)
- X Brand new/ unused items specially purchased for this workshop.
- X Craft supplies, such as pom poms, pipe cleaners etc

## ***Important notes:***

1. Please ***don't*** go out and buy anything! The message of our workshops are about reducing waste!
2. Only collect what you have at home in your recycling bin or in your "TRASH".
3. Make sure **EVERYTHING** you donate is **CLEANED** and **DRY** (please and thank you!)

4. We are dedicated to quality control. Your donations are sorted by our team before the workshop to make sure everything is clean and safe. We also liaise with the school prior to the incursion to identify any allergies particular students may have (to peanuts, eggs etc), and we remove any items that may be associated with these (such as egg cartons, peanut butter tubs etc).

## **Parent's FAQs**

### **Why do I supply the recyclables for this workshop?**

Home-sourced recyclables form a core part of our 'recycle and reduce' experience. By collecting materials for the workshop together, your child gains a more holistic understanding of their own impact on the Earth (through what's being thrown away at home) and of their personal part to play in sustainability (through recycling, reducing, and reusing). We suggest starting a collection bag separate to your normal recycling bin. By building your bag of interesting materials together over the week you can share conversations about waste reduction in your own home whilst getting the creative juices started.

### **What happens to the materials I supply?**

The items you collect will be sorted by our facilitators ahead of the workshop to ensure everything is clean, safe and appropriate for use. Everything supplied goes into a communal pile for the whole group to access. This becomes the place to source ones puppet throughout the workshop. Through the 'trash pile' kids get a great tactile experience, plus the joy of 'using what you have' and rummaging for inspiration. The trash pile creates a little joyful chaos and it's often a highlight of our workshops because we encourage the children to make a mess!

### **What if my child has allergies?**

If your child has severe allergies we would advise discussing this incursion with your classroom teachers. We often suggest that parents supply their own 'allergy-free' collection of materials which would be held separate for your child. Unfortunately, given the nature of working with repurposed materials, we cannot guarantee that the general collection will be allergy safe. If you are particularly concerned, we would encourage you to attend and participate in the workshop alongside your child.

### **What kind of puppet can I expect to see from my child after the workshop?**

Part of our mission at Trash Puppets is to offer positive creative experiences for people of all ages. Our workshops teach participants the basics of puppetry and offer guidance on construction, mechanisms, and performance. With this foundation we support participants to bring their own vision to life in whatever form they have imagined. We aim to have every person leaving with a working puppet. However, since it is an open creative task (and we have very limited time) we can't promise your child's puppet will arrive home looking the way an adult thinks a puppet should look. We strive to find something good in everything that each participant creates and we encourage parents to do the same.

### **What else is my child gaining from this activity?**

Our workshops:

- encourage creative, reflective, and critical thinking,
- get students solving complex supply and design problems,
- offer opportunities to plan, experiment, take risks, and question,
- impart meaningful puppetry knowledge, puppet-making technique,
- give tangible experience of core sustainability principles,
- build confidence in personal creative expression.

## Support for your kids to get active

Does your child love sport and being active? Does your family have a Health Care Card or Pensioner Concession Card? You may be eligible for up to \$200 to put towards the cost of your child's participation in physical activities.

As children return to sport over the coming months, the Get Active Kids Voucher Program helps [eligible families get their kids involved in organised sport and active recreation activities](#).

Under the program, children may be eligible to receive up to \$200 to help with the cost of membership and registration fees, uniforms, and equipment.

The program also provides a special consideration stream to support children residing in care services as well as temporary or provisional visa holders, undocumented migrants or international students.

Applications for vouchers in round three of the program close at 5pm Tuesday 30 November.

For eligibility requirements and to apply, visit the [Get Active Victoria website](#).

# SCHOOL PHOTO HELP STATION

## HELPFUL PHOTO DAY INFORMATION:

1. If you are placing an order please ensure each child has their own envelope.
2. Do **not** place another child's envelope inside their siblings envelope.
3. Please collect a family envelope from the school office if you wish to have a family photo taken.
4. All children are photographed regardless if you are paying or not. This is for the schools records.
5. When the photos are returned to school, those who did not place an order on the day will be given a second chance to order via a new form distributed when photos are returned to school.  
**You won't miss out!**
6. The school does not give change nor do the photographers.  
**PLEASE** ensure the correct money is enclosed.
7. If you lose your envelope the photographers and the school carry spares.
8. Only parents who are paying on the day and requesting it will have a family photo taken.
9. We highly recommend you place your order online. It is the safest way to order and record your purchase. Online is the only way you can pay using your credit card.
10. We do not have control over the way your child's name appears in the photo - any changes or requests are strictly handled by the school.
