Be Your Best Self!

Angus Hinch

Here we are live at Flemington Race track!! Racing up on the inside is the sensational student jockey Angus Hinch smashing the field on his pony 'Popping Pepe'. Yes it is 'Dasher' and 'Popping Pepe' to win the '2021 Bundarra Cup'. The Amazing Angus is training so hard and showing such good form in Grade; 2. Here is his form guide:

A: is for Amazing Angus.

N: is for Nice manners and Numbers.

G: is for his Giggles and Getting along.

U: is for Unique, Understanding and Unselfish.

S: is his Super Smile.

H: is for Happy and Humorous.

I: is for Interesting Ideas and Inclusive.

N: is for Never gives up and No Nonsense.

C: is for the Cats he Cares for (especially Trigger).

H: is for his Horses of course!

Angus you are a sure bet to keep smashing your learning goals. Keep riding high in the saddle CHAMP!

Kaylee Johnstone

Kaylee is the 'Super Nice' student of 1/2L. This year she has magically emerged from her cocoon like a colourful butterfly and sparkled her way through challenges with confidence and persistence. Kaylee is a wonderful and caring friend to everyone and livens up our classroom with her bubbly personality. Kaylee loves to laugh and show happiness. She is amazingly persistent and approaches every task with super enthusiasm. Kaylee has used her fabulous determination to super-charge her reading. She is working hard to be a super writer. Kaylee is super co-operative and super inclusive. She is the slinky apple queen and just loves fruit!.... But does she like Mr Burgess's jokes I wonder?????.... She sprinkles our day with hope, acts of kindness and sparkling sunshine. Congratulations Kaylee..... Grade: 1/2 L is very lucky to have such a SUPER Star on the team.

Alayla O'Connor-Scott

Alayla is a 'Super Student' because she has pushed herself to step outside her comfort zone this year and has blossomed into a super confident young lady. She always endeavours to do her best even when things are a challenge. Alayla has persisted to improve her reading, spelling and mathematics. Alayla is thoughtful, caring and is very inclusive. She works quietly and is a great role model for others. She is showing lots of super confidence to try new things and is always looking for ways to improve. Alayla has a super smile and makes us feel super happy. Alayla is a super talented artist and takes super pride in her work. Alayla is super enthusiastic and super kind to others. Keep being a 'SUPER Girl' Miss Alayla!!

Transition Foundation 2022-

It was simply wonderful to meet some of our new Foundation students and their families on Monday. Our F22 class enjoyed exploring the Wonder Room, their learning space and finished up with an entertaining reading of "Wombat Stew". The next session on Monday will be slightly longer (1-3pm), building up to 3 1/2 Hour sessions before the end of the 2021 year. We thank Miss Mason and Miss Skye for providing a welcoming, fun environment.

SWIMMING CLASSES-

We were fortunate enough to be able to hold 4 swimming classes for our Junior (F-2 students). Unfortunately, we have been unable to secure times for our 3/4 classes, so this will be held in 2022. School swimming lesson charges in 2022 will be reduced due to this. Apologies to students and families impacted.

SNAPCHAT-

This social media platform has been causing a little trouble at late, spilling over into school life. Now, most kids use it as a fun means of contact with friends. There is some mature content though and we all need to know:

- The content shared can be saved and shared and may never go away.
- Permission should be asked before sharing a picture of someone else.
- Since it's so easy to add friends in Snapchat, you can end up with lots of people you don't know well on your friends list. And depending on your settings, the app can collect a ton of data about your habits in and outside of, the app.

It's also worth remembering that SNAPCHAT is recommended to over 13 year olds.

See these for more details...

Book Fair-

Tomorrow is the last day for the Book fair. We thank everyone who has visited the Learning Support Team space to purchase books as Bundarra gets credit for all purchases. This means we get to choose some free books for our library following the fair. Extra special mention and thanks to Mrs Donald for all her dedication and hard work organising the event- very much appreciated!

Wurruck!

Congratulations!

Imarni Henderson!

Well done on achieving an Academic Scholarship for 2022. We look forward to you becoming part of the PSC Community.

A reminder to families that students who require masks must bring in their own, the school does have some to give to students who may forget on occasions.

It's that time of year again when we start asking for donations for our Christmas Raffle! Any donations will be happily accepted at the office! Toys, Food, Christmas Goodies, Games, Books, anything you would love to win!

Thankyou

CHRISTMAS

Trash Puppets is coming to your school and we need your help!

In Week 9 of this term the students at Bundarra are participating in a Trash Puppets workshop.

At Trash Puppets our aim is to educate adults and children alike on the concepts of sustainability with particular focus on waste reduction. We do this through creative puppet making workshops where imaginations are expanded and where play is key.

The materials used to make Trash Puppets are 100% recycled and reused. For your child to get the most out of this experience, we encourage parents and children to start their own 'Trash Puppets bag' of clean recyclables at home for use in the workshop. Please drop your bag of 'trash'* at school, in an area specified by your teacher, ahead of the workshop.

* We ask that each child only bring one small bag of trash each, about the size of a green canvas bag from Woolworths.

Here's the kinds of (clean) materials we can accept:

- ✓ Cardboard e.g. small boxes (smaller than a shoe box), egg cartons, paper towel rolls.
- ✓ Plastic bottles e.g. coke bottles, shampoo bottles (washed, with LIDS OFF).
- ✓ Plastic bottle caps.
- ✓ Plastic tubs e.g. strawberry or berry containers, honey tub, ice cream tub (washed please).
- ✓ Plastic bags e.g. supermarket bags, bubble wrap, bread bags.
- ✓ Paper bags e.g. retail bags, grocery bags.
- ✓ Newspapers
- ✓ Picnicware e.g. paper plates, plastic spoons, plastic cups.
- ✓ Bits and bobs e.g. buttons, yarn, old wrapping paper.

And, the types of materials we **DON'T** want.

- X Toilet rolls.
- X Milk Bottles.
- X Tins or any sharp metal including metal bottle tops/caps.
- X Glass, including all glass jars and bottles
- X Anything with alcohol or drug branding, eg. panadol boxes, beer cartons etc.
- X Cartons that we can't see into eg. tetra pack juice boxes, milk cartons, stock cartons etc.
- X Polystyrene in any form e.g. cups, packaging, beads etc.
- X Fabric scraps
- X Magazines
- X Medium-large boxes (an adult size shoe box is too big)
- X Brand new/ unused items specially purchased for this workshop.
- X Craft supplies, such as pom poms, pipe cleaners etc

Important notes:

1. Please ***don't*** go out and buy anything! The message of our workshops are about reducing waste!
2. Only collect what you have at home in your recycling bin or in your "TRASH".
3. Make sure **EVERYTHING** you donate is **CLEANED** and **DRY** (please and thank you!)

4. We are dedicated to quality control. Your donations are sorted by our team before the workshop to make sure everything is clean and safe. We also liaise with the school prior to the incursion to identify any allergies particular students may have (to peanuts, eggs etc), and we remove any items that may be associated with these (such as egg cartons, peanut butter tubs etc).

Parent's FAQs

Why do I supply the recyclables for this workshop?

Home-sourced recyclables form a core part of our 'recycle and reduce' experience. By collecting materials for the workshop together, your child gains a more holistic understanding of their own impact on the Earth (through what's being thrown away at home) and of their personal part to play in sustainability (through recycling, reducing, and reusing). We suggest starting a collection bag separate to your normal recycling bin. By building your bag of interesting materials together over the week you can share conversations about waste reduction in your own home whilst getting the creative juices started.

What happens to the materials I supply?

The items you collect will be sorted by our facilitators ahead of the workshop to ensure everything is clean, safe and appropriate for use. Everything supplied goes into a communal pile for the whole group to access. This becomes the place to source ones puppet throughout the workshop. Through the 'trash pile' kids get a great tactile experience, plus the joy of 'using what you have' and rummaging for inspiration. The trash pile creates a little joyful chaos and it's often a highlight of our workshops because we encourage the children to make a mess!

What if my child has allergies?

If your child has severe allergies we would advise discussing this incursion with your classroom teachers. We often suggest that parents supply their own 'allergy-free' collection of materials which would be held separate for your child. Unfortunately, given the nature of working with repurposed materials, we cannot guarantee that the general collection will be allergy safe. If you are particularly concerned, we would encourage you to attend and participate in the workshop alongside your child.

What kind of puppet can I expect to see from my child after the workshop?

Part of our mission at Trash Puppets is to offer positive creative experiences for people of all ages. Our workshops teach participants the basics of puppetry and offer guidance on construction, mechanisms, and performance. With this foundation we support participants to bring their own vision to life in whatever form they have imagined. We aim to have every person leaving with a working puppet. However, since it is an open creative task (and we have very limited time) we can't promise your child's puppet will arrive home looking the way an adult thinks a puppet should look. We strive to find something good in everything that each participant creates and we encourage parents to do the same.

What else is my child gaining from this activity?

Our workshops:

- encourage creative, reflective, and critical thinking,
- get students solving complex supply and design problems,
- offer opportunities to plan, experiment, take risks, and question,
- impart meaningful puppetry knowledge, puppet-making technique,
- give tangible experience of core sustainability principles,
- build confidence in personal creative expression.

Support for your kids to get active

Does your child love sport and being active? Does your family have a Health Care Card or Pensioner Concession Card? You may be eligible for up to \$200 to put towards the cost of your child's participation in physical activities.

As children return to sport over the coming months, the Get Active Kids Voucher Program helps [eligible families get their kids involved in organised sport and active recreation activities](#).

Under the program, children may be eligible to receive up to \$200 to help with the cost of membership and registration fees, uniforms, and equipment.

The program also provides a special consideration stream to support children residing in care services as well as temporary or provisional visa holders, undocumented migrants or international students.

Applications for vouchers in round three of the program close at 5pm Tuesday 30 November.

For eligibility requirements and to apply, visit the [Get Active Victoria website](#).
