Be Your Best Self!

Layla King

A large part of what makes 12W so lovely is Layla King! Layla is always asking questions about the books that we read and is making all sorts of logical connections. Layla has learned to skip count by 5s lately and likes to showcase this to some lucky people. Layla loves a laugh and is always looking out for her friends, being that person to play with when you don't have one! Layla has definitely left a long-lasting impression on 12W!

Dion Hollis

Daring Dion has developed into a dynamic learner in 12W this year. Dion has a double decent attitude towards his reading and shows this off in class and in his group with Mrs Holden. Dion has become very detailed with his writing, always delivering some dramatic and diverse stories that he is very proud to share with anyone. Dion does not disappoint with his behaviour either, always being dependable when it comes to listening and putting his hand up when he wants to share his dreamlike ideas. Dion is very deserving of being a Super Student in 12W!

Super Students

Ngata from Mrs Hulonce...

Last week was awesome- we opened our Bike Track!

Given it's so new, and super popular with our students, we have created a schedule for it's use. The track is NOT open for use before school as yet- due to staffing and us making sure the track is used appropriately. We just need to make sure everyone can safely use the space prior to this happening. We DO intend to open the track before school from 8:40- 8:55 for the last week of term. Fitness stations will be added in 2022.

We are also working through some Bike Track Rules, with student input. These will certainly include helmet wearing, as this is a non- negotiable when riding a bike on school premises or for any school activity. Now might be a good time to check to see if your helmets still fit and your bike is in good working condition.

2022 classes

On 7th December students will meet their new 2022 classmates.

We are saying "see you" (not GOODBYE) to John Grinstead and Rai Cullen as they take on 12month contracts at Portland Primary School.

We wish Ms Sandra Logan all the best as she takes long service leave and retires in 2022. We have certainly benefitted from the dedication of all these staff over the years. We wish them all the best for 2022!

SUPPORTING YOUR CHILD'S READING

Some interesting ideas about reading from PETAA...

https://www.petaa.edu.au/w/teaching_resources/parents_guide.aspx

Relationship building

At the core of reading is a relationship and it is the bond between children and parents that is enhanced through reading together. It only takes ten minutes a day to build this relationship.

Children's reading improves

The research is conclusive: When parents successfully support their children's literacy learning from an early age, everyone benefits. When teachers and parents work together to support children's reading and academic success, learning outcomes for all children improve.

Children read more

Students who read with their parents are better prepared for school. They begin school with knowledge of book language and familiarity with concepts of print. They understand how books work and have many more exposures to text types and vocabulary.

Children's self-esteem improves

Knowing someone cares enough to take time out of a busy schedule to give you undivided attention around a book makes a significant difference to how students perceive themselves as learners and readers. When parents show an interest in their children's learning, children respond positively.

Reading unites families through shared stories

When a family reads together, stories form a common ground for communicating. Stories bind families and help students makes sense of where they fit in the world.

Not only does parent involvement have a specific and profound impact on children's reading, but also on children's language and literacy learning in general. It is through interactions with parents and carers that children learn new vocabulary, seek clarification of new understandings, and learn to comprehend their expanding worlds. Talk is the key to reading and writing success. Talking with children (walking to school, at the table, in the car, bedtime) has a significant effect on literacy learning in general.

TS HENTY AUSTRALIAN NAVY CADETS

Are you turning 13 this year or aged under 18? Do you have an interest in Sailing and the outdoors? The Australian Navy Cadets could be for you.

The Australian Navy Cadets adopts the values of the Australian Navy –

- Excellence
- Courage
- Respect
- Integrity
- Service

The Australian Navy Cadets (ANC) is a leading provider of youth development experiences. Becoming a Navy Cadet means making new friends, being part of a team that values you and experiencing challenges that will develop your potential as a leader. Adventure and fun are the key ingredients for all camping, water sport and team challenge activities. Navy Cadets learn how to sail, navigate and gain skills in everything from marksmanship, Firearms Safety, IT, communications, cooking and first aid to drill and seamanship as well as having the opportunity to attend local and interstate camps at minimal costs to families.

TS Henty also offers the chance for Cadets to move through the Rank Structure, starting at Recruit and moving through to Seaman, Able Seaman, Leading Seaman and Petty Officer.

Becoming a cadet means making new friends, being part of a team and experiencing challenges which develop you as a potential leader. Become an Australian Navy Cadet today!

TS Henty Parades Friday nights 5.45pm – 9pm during school terms, at the Australian Navy Cadet Unit, Lee Breakwater Road, Portland.
